

LINDSAY POWER-HARDING

FRONT END WEB DEVELOPER

PROFILE

I'm a web developer, with a thorough understanding of front-end technologies focused on producing clean and maintainable code. I'm looking for opportunities to expand my knowledge and collaborate with a group to create amazing digital products.

PROFESSIONAL EXPERIENCE

ASSOCIATE

Scotia Asset Mgmt
Aug 2016 - Mar 2018

- Built relationships with clients from initial due diligence and on-boarding, to ongoing monitoring, compliance and regulatory reporting
- Spearheaded projects for development and implementation of new technology

PORTFOLIO ADMIN

Scotia Asset Mgmt
Feb 2014 - Aug 2016

- Managed deadlines and resources to complete end of period accounting and reporting for a book of institutional relationships
- Liaised with custodians, and various internal groups to consistently and timely meet clients' needs and maintain accuracy and compliance of all accounts.

CUSTOMER SERVICE OFFICER

Scotiabank
June 2012 - Feb 2014

- Exceeded personal sales targets and was in the centre's top tier for customer service ratings (above 90% overall)
- Elected for a role in the Community volunteer group representing Scotiabank, coordinating events, campaigns and a charity marathon
